GCS D PERS Post Secondary Adult Programs is situated in Galena, Alaska. Galena is a large village in the heart of the Interior, on the banks of the Yukon River.

Access to Galena is by plane. There are six daily flights between Fairbanks and Galena and a direct flight between Galena and Anchorage.

GCS D PERS Post Secondary Programs is a section of the innovative Galena City School District. It opened for post-secondary students in mid-2002.

A Major Milestone:

Our first Post-Secondary Graduation was held on 15 May 2003. Graduates: David, Ben, Darrin and Gar. David intends to continue with flight school; Darrin is going to UAF, Bev is employed by BLM and Gar, after passing Licensing Board exams is due to become a Cosmetology Instructor.

Seven other members of the Galena community completed their PPG [ACPE exempt course.]

The GCS D PERS Post Secondary Programs offers high quality vocational courses which are licensed by the State of Alaska, authorized by ACPE or nationally accredited. The classes are taught by highly qualified staff: all are professionals in their own field!

Classes are small and focused on the needs of the student but the facilities are modern and state of the art - like the FAA certified flight simulator.

Courses are offered in the following fields:

Cosmetology: Hairdressing; Instructor Training and Esthetician;

Culinary Arts: Commercial Kitchen Production
Automotive Technology: Intro. to Automotive Technology and Brake System

Computer Technology: Information Technology Technician

Aviation: Private Pilot Ground School and Instrument Pilot Ground School

Accommodation for our adult students is provided in the newly built Birchwood Hall, [shown above]; with meals being offered in the Kkuskkuno Dining Hall by a professional chef. Both the residential hall and dining hall are within walking distance to all the major facilities on the PERS Campus.

GCS D PERS Post Secondary Programs provides a good transition between rural life in village Alaska and the bigger cities in Alaska.
